

TERRA FERRA

Find your look.

Discover new designers.

Community powered fashion drops, worldwide

The Problem

- Launching is risky; marketplaces take 25–52%
- Affiliate apps exclude drops, pre-order & 89.5% of creators
- Nowhere to discover new designers or your own look

Our Solution

- Pre-order drops — sell before producing, zero risk
- AI virtual try-on — try on, share, invite friends
- AI style discovery — find your look & new designers

Why Now

- AI try-on opened to any platform in late 2024
- ~\$5.25B spend flows to nano / micro creators
- Gen Z: 40% of fashion spend by 2035

Where We Are

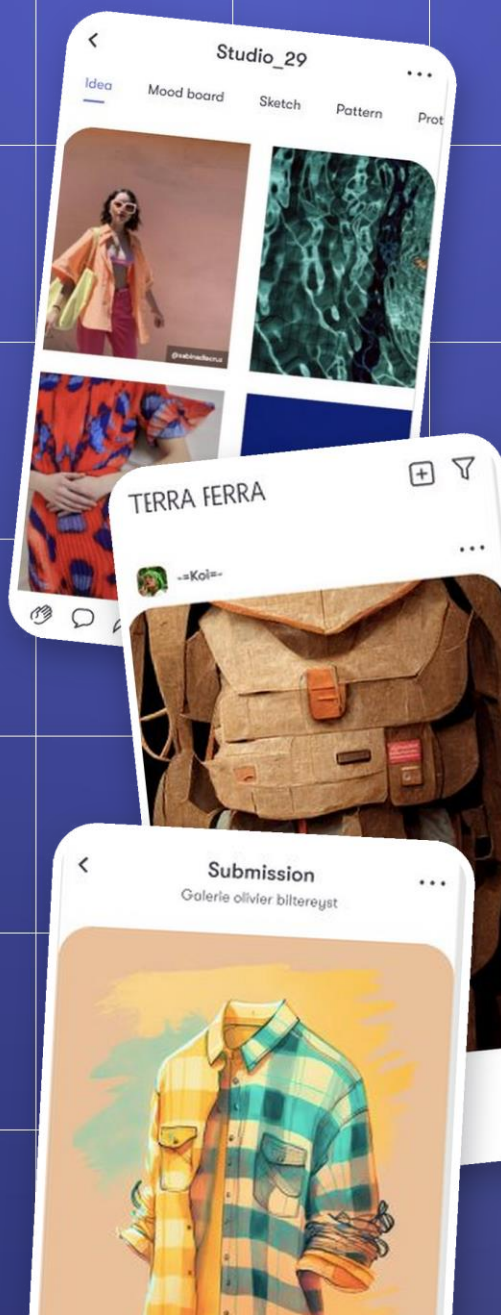

- 2024: built & tested; \$315K pre-seed raised
- 2026: rebuilt around modern AI
- Relaunching globally with a Founding cohort

The Opportunity

- 32,253 US fashion designers underserved
- Only platform combining drops + AI try-on + creator upside
- Window open now — well-funded players circling
